# LIVE SOUND

# OTHER PROJECTS

The Sunshine Mystics seamlessly blend elements of psychedelia, rock, jazz, and electronic music, creating a mesmerizing sonic tapestry that transports listeners to new dimensions. Their music is an immersive journey, where swirling melodies, intricate rhythms, and ethereal harmonies collide, evoking a sense of transcendence and exploration.

The Sunshine Mystics is a dynamic psychedelic fusion band

## HOLY ELECTRON

Holy Electron is the captivating alter-ego of the renowned electronic artist KAPITAL7, dedicated to the exploration of the techno realm. With Holy Electron, KAPITAL7 delves into the depths of pulsating beats, hypnotic rhythms, and immersive sonic landscapes.

As Holy Electron, KAPITAL7 crafts a distinct sonic identity that combines the raw power of techno with their signature attention to detail and immersive storytelling.

Performing an original track with Flash, the Middle East's first Didgeridoo player, live on Al Arabiya TV channel morning show.

# EDUCATOR

Karim has been teaching and running workshops in Dubai at Studio Republik and in various music conferences and electronic music workshops for adults and kids across 3 continents combining the 15 years of technical know-how and music productions with the art of story telling through music.
